Sprint Planning #2

Sprint Ends: March 17th

Hours Spent Working: 6 hours

Scrum Master: James

Team Members: Tom, Kelsye, Camila

Retrospective item: Collaboration on backend

What To Do Next:

**Stories are on GitHub project, this is a basic rundown on what we expect to have done this sprint

- Create sign up and sign in pages
- Add drop-down options to sign up page for user roles
- Add and implement the logout function
- Create all fragments necessary for functionality
